

Job Simulation Sprint II A calculator
add

A calculator interface with a blue background. At the top, there are two white input fields. The first field contains the number '1' and the second field contains the number '2'. Below these fields are four buttons: 'Add', 'Subtract', 'Multiply', and 'Divide'. Below these buttons is a 'Clear' button. At the bottom of the interface, the result '3' is displayed.

subtract

A calculator interface with a blue background. At the top, there are two white input fields. The first field contains the number '1' and the second field contains the number '2'. Below these fields are four buttons: 'Add', 'Subtract', 'Multiply', and 'Divide'. Below these buttons is a 'Clear' button. At the bottom of the interface, the result '-1' is displayed.

Multiply

A calculator interface with a blue background. At the top, there are two input fields: the first contains '1' and the second contains '2'. Below these fields are four buttons: 'Add', 'Subtract', 'Multiply', and 'Divide'. Below the buttons is a 'Clear' button. At the bottom of the interface, the result '2' is displayed.

divide

A calculator interface with a blue background. At the top, there are two input fields: the first contains '1' and the second contains '2'. Below these fields are four buttons: 'Add', 'Subtract', 'Multiply', and 'Divide'. Below the buttons is a 'Clear' button. At the bottom of the interface, the result '0.5' is displayed.
